GRAPHIC DESIGNER

PERSONAL STATEMENT

I am a passionate artist who focuses on the quality of the outcome, as well as the speed of the process. Communicating well and keeping a solid understanding with my clients / employers are my main principles. I work well under pressure and always give 100%.

EDUCATION

BA Honours VCD Graphic Design
2005 – 2008 | Middlesex University

AVCE Art & Design
2003 – 2005 | Barnet College

TECHNICAL EXPERTISE

I have been using the software packages below for roughly over six years and very comfortable with them.

- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign
- After Effects
- 3DsMax
- Maya
- Adobe Dreamweaver
- Flash

I am also confident as an illustrator and have general knowledge as a photographer.

CAREER SUMMARY

Currie & Brown

www.curriebrown.com

June to September – 2007

- Worked as a temporary web and graphic designer for the company during summer.

Ariadne Designs

www.ariadnedesigns.com

2005 - 2007

- I have worked as a contractor for the company to design their current website, taking over the duties including creating web layout, imagery and flash animation.

Freelance Graphic Designer / Illustrator

2003 - Present

- Worked with several game designers and provided character, web and interface designs

INTERESTS

Creating is my main passion and drive in life. I spend my spare time finding new artists, taking photos, and drawing. I also play the guitar and composed music in the past.
